Scenic Overlook by Mike DiProspero

We stayed at an all-inclusive ski-in/ski-out resort - Club Med in Val Thorens. Each morning we woke to an all-you-can-eat breakfast and then met our French Ski School guide for morning skiing. At lunchtime we would return to the hotel where we were welcomed

by outdoor slope-side parties in the snow that included charcuterie-style snacks, beverages, music, and dancing. Next, we would move inside to discuss our morning ski experiences with fellow club members over lunch. After lunch, we would return to the ski area to meet our French Ski School guide for afternoon skiing. Once the lifts closed, we would return to the resort to enjoy après-ski beverages and snacks that included crêpes, paninis, small sandwiches, desserts and more! Needless to say, there was plenty of delicious food to choose from!

Ski highlights included: skiing to neighboring resorts (Méribel and Courchevel) and through glaciers that formed ice caves, seeing the 7th most dangerous airport in the world (located in Courchevel), and having lunch on the slopes with our ski groups.

Other trip highlights included tobogganing, exploring naturally formed igloos on the mountain, and visiting nearby quaint ski towns in the French Alps. Not only did we get six days of incredible skiing, but we also got to experience the French culture, both on and off the slopes!

Scenic Overlook by Mike DiProspero

Led by Mike DiProspero and assistant trip leader, Kristen Dukes, 40 skiers, 4 snowboarders, and 1 non-skier flew to the largest ski area in the world – Les 3 Vallées, France on 16 March 2024! It snowed on our first ski day. While the visibility wasn't ideal, it was nice to get fresh snow for the next five days of skiing. The rest of the week was sunny!

April kept us on our toes at the Columbia Ski Club! We closed up the 2024 ski season with a fantastic post-trip party, thanks to the impeccable organization skills of Ellen Wagner. A huge round of applause goes to the volunteers who dedicated their time to setting up and tidying afterward. Special appreciation goes out to Pat D, Rob Foard, Deb, and Bob McCune for managing the sign-in table, allowing our ski trip leaders to fully enjoy the festivities. And, if you liked the food, you could visit the caterer's restaurant, Pipilinka in the Dorsey Search village center.

Now that the 2024 season has been officially closed, the Board and the Ski committee are in full work mode getting ready for the 2025 season with trip sales starting May 19th. We have a full slate of 11 trips already planned and ready for your enjoyment. The committee reached its goal of announcing the trip schedule early, so that our membership has time to obtain the largest discounts on Epic and Ikon annual passes.

Make sure to save the date for our yearly membership renewal gathering happening on May 13th! This event, taking place at Union Jacks in Columbia, is consistently one of our most popular. We'll be offering details on membership renewals and sign-ups, as well as the chance to reconnect with familiar faces and meet new friends from past adventures. Don't miss out on the buzz that accompanies the start of a new year with the Columbia Ski Club!

Not everything is centered around ski trips! The Getaways and Adventures Coordinator, Pat D'Adamo, will be announcing two new trips scheduled for 2025.

Pat and I were fortunate to travel to Palisades-Tahoe for the Mountain Travel Symposium. We connected there with tour operators and travel industry representatives from both the US and Europe. Additionally, we enjoyed ample networking opportunities with representatives from various clubs. Most importantly, we gathered valuable insights on potential travel options catering to both skiers and non-skiers alike.

On the administrative side of the Club, you will notice that for upcoming trips and events, the club is now accepting credit card payments! We recommend that you update your club profile by visiting [www.columbiaskiclub.org](http://www.columbiaskiclub.org). Many of you may be surprised to find outdated email addresses and emergency contact information.

Looking forward to seeing everyone at the membership renewal meeting!

The Ski Trip Committee has been busy preparing the 2025 ski trips. Sales will kick off on May 19, 2024, at the Ellicott City VFW. The lineup with preliminary pricing is presented here. Information will likely change before the kickoff date, so please check the CSC website for updates between now and kickoff day. There is also important information on lift pass purchase options posted on the website, with links to members-only purchase discounts. The links are on the top of the home page at [www.ColumbiaSkiClub.org](http://www.ColumbiaSkiClub.org).

The kickoff sales event starts at 1:30pm. Sales tables will close at 4:00pm. Please come with a completed sign-up form to avoid crowding at the sales tables. Signup forms can be found on the Document Library on the CSC website under the "About Us" menu in the "Forms for Public" folder.

The lottery remains in place for 2025 so it is not important to be first in line. You can show up at any time during the sales window and have the same chance of getting on a trip. Out-of-state members should coordinate sign up forms and deposits with the assigned trip leaders. Contact information for leaders will be available on the website. Deposits, signup forms, and current membership must be in place by 4:00pm on May 19th to qualify for the lottery should a trip oversell the first day.

We look forward to seeing everyone at the kickoff event.

*Announcing the next Getaways and Adventures Trip, October 8-19, 2025:* An eleven-day tour of central Europe as we embark on an idyllic eight-day **Jewels of the Rhine River cruise!** We will experience the lovely Rhine Valley, traditional architecture, beautiful countryside, and UNESCO Heritage sites on this quintessential Rhine River experience. This classic river cruise itinerary begins in Amsterdam and takes us through the countryside of Holland, Germany, and France, before disembarking in Basel, Switzerland. The cruise ship will stop in Cologne, Koblenz, and Ludwigshafen/Heidelberg, Germany as well as Strasbourg, France and the Black Forest region near Freiburg, Germany. Our 8-day river cruise will include excursions in each port of call, highlighting the history and culture of these Central European cities. We will have an opportunity to explore Amsterdam for two days prior to embarkation as well as a night in Zurich before returning home.

We will begin taking trip reservations at our next Columbia Ski Club meeting on May 13 at Union Jack's. Our Trip Leader, Pam Plantz-Poley, will be on hand to accept your G&A trip application form and \$500 check deposit. Additional details about the trip will be available by this meeting.
