

Please review the table below and rank the appropriate number of resorts in each of the categories where you plan to travel in '10 -'11.

Never heard of Wolf Creek, Schweitzer, Kicking Horse, La Massif or Timberline?
Check out http://away.com/skiing/ski_resorts_sitemap.tcl for resort information.
Link may also be found on our CSC website under Trip Survey.

Rank up to **2** Western Canada resorts, **3** Western US resorts, & **2** in Eastern US & Canada.
Select International locations only if you plan to travel there with our club.
If your desired location is not listed, write it in a blank space under the proper heading.

Example: If Keystone is your top Western US choice write **1** in the box next to the resort.
If your second choice is Taos, write **2** in that box. If your third choice is Loveland, CO
(which is unlisted) write it in a blank space and write **3** in the adjacent box.
